Subject: Section 35

I CANNOT UNDERSTAND WHY ANYONE WOULD CONSIDER MOVING CONTAMINATED MATERIAL FROM THE MIKE HORSE DAM AREA JUST TO CONTAMINATE ANOTHER AREA. AN AREA NEXT TO A HIGHWAY WITH HIGH TRAFFIC. JUST ABOVE SEVERAL HOMES AND WILLOW CREEK. WHAT ABOUT NORA AND WHISKEY RUNOFF? ALSO THE VALUE OF THE LAND AND HOMES WOULD BE SEVERE. I ABSOLUTLY PROTEST HAVING SECTION 35 AS THE DEPOSITORY FOR THE MIKE HORSE MIINE TAILIINGS! BARBARA MEEK
